

2024 Belugas Count! Station Locations

Throughout Cook Inlet, from Kenai to Anchorage, there are 17 shore-based viewing stations. At each of these staffed stations, you can:

- Help spot and count Cook Inlet beluga whales;
- Learn about Cook Inlet beluga life history;
- Find out about ongoing efforts to recover the population and how you can help; and
- Enjoy fun, family-friendly educational activities.

Bring your camera and binoculars!
No registration is required.
