INSTRUCTIONS
APPLICATION FOR AMENDMENT 80 REPLACEMENT VESSEL

The owner of an Amendment 80 vessel may replace such vessel for any purpose. The replacement vessel will be eligible to participate in the Amendment 80 fisheries in the same manner as the original vessel; moreover, the owner of the replacement vessel is responsible for all monitoring, enforcement, permitting, recordkeeping and reporting, prohibitions, and general sideboard measures that apply to Amendment 80 vessels in the GOA or BSAI.

A vessel will be approved by the Regional Administrator as an Amendment 80 vessel following the submission and approval of a completed Application for Amendment 80 Replacement Vessel, provided that only one replacement vessel is used as a replacement for any one replaced vessel at a given time and that the replacement vessel:

- ◆ Does not exceed 295 feet length overall (LOA)
- ◆ Was built in the United States and, if ever rebuilt, rebuilt in the United States
- ◆ Is classed and loadlined or meets the requirements of the USCG Alternative Compliance and Safety Agreement
- ◆ Is not listed at listed at section 208(e)(1) through (20) of the American Fisheries Act (AFA) or permitted under paragraph (1)(2)(i) of this section; is not an AFA replacement vessel designated on a listed AFA catcher/processor permit under paragraph (1)(2) of this section; and is not an AFA catcher vessel permitted under paragraph (1)(3) of this section

PUBLIC REPORTING BURDEN STATEMENT

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0565. Without this approval, we could not conduct this information collection. All responses to this information collection are required to obtain or retain benefits and are required to manage commercial fishing effort in the GOA and BSAI under 50 CFR 679 and under 402(a) of the Magnuson-Stevens Act (16 U.S.C. 1801, *et seq.*). Public reporting burden for this information collection is estimated to average 2 hours per response, including the time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing the burden, to NOAA, National Marine Fisheries Service, Alaska Region, Attn: Assistant Regional Administrator, Sustainable Fisheries Division, P.O. Box 21668, Juneau, AK 99802-1668.

PRIVACY ACT STATEMENT

Authority: The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801 *et seq.*

Purpose: NMFS uses this information to determine eligibility of the vessel to be replaced and eligibility of the replacement vessel. The information required by this application is necessary to ensure that vessel replacement is in compliance with the regulations governing the replacement of Amendment 80 vessels.

Routing Uses: Disclosure of this information is subject to the published routine uses identified in the Privacy Act System of Records Notice COMMERCE/NOAA-19, Permits and Registrations for the United States Federally Regulated Fisheries. NMFS posts some information from this form on its public website (<https://alaskafisheries.noaa.gov/>). In addition, NMFS may share information submitted on this application with other State and Federal agencies or fishery management commissions, including staff of the North Pacific Fishery Management Council and Pacific States Marine Fisheries Commission. Other information is confidential under section 402(b) of the Magnuson-Stevens Act and NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics.

Disclosure: Furnishing this information is voluntary; however, failure to provide complete and accurate information will prevent NMFS from determining eligibility to replace the vessel
