

Project Title	State	Project Type	Date Signed
Resiliency and Sustainability of Hammonasset Beach State Park	CT	Fish Passage- Dam and Culvert Removal/Modification	11/26/2024
Snohomish Cooperative Salmon Barrier Removal Project - Watt Crossing	WA	Fish Passage- Dam and Culvert Removal/Modification	11/26/2024
Phase I Restoring Atlantic Salmon Habitat Through Barrier Removal in the Katahdin Woods and Waters National Monument Project	ME	Environmental Education Programs, Partnerships; Training Programs;#Fish Passage- Dam and Culvert Removal/Modification	11/25/2024
Environmental Resilience: The Mattaponi Indian Tribe and Reservation Coastal Habitat Restoration Project	VA	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	11/20/2024
Ragged Island Oyster Restoration and Shoreline Protection	VA	Reef Restoration- Artificial Reefs;#Reef Restoration- Shellfish;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	11/20/2024
Capacity building to improve tideland habitat integrity within the Lummi Nation	WA	Environmental Education Programs, Partnerships; Training Programs	11/15/2024
St. Croix West End Coastal Resilience for Underserved Communities Project	VI	Environmental Education Programs, Partnerships; Training Programs;#Reef Restoration- Coral;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	11/14/2024
Stormwater Infrastructure and Community Engagement Efforts in South Mobile, AL	AL	Environmental Education Programs, Partnerships; Training Programs;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	11/12/2024
Kuleana Coral Community Dive Program	HI	Environmental Education Programs, Partnerships; Training Programs;#Reef Restoration- Coral	11/8/2024
OysterCorps	FL	Reef Restoration- Shellfish	11/7/2024
Resilience and Restoration in Calumet Coastal Region - Lake Michigan	IL	Environmental Education Programs, Partnerships; Training Programs	11/4/2024
Activating Community Stewardship Through the Traditional Hawaiian Practice of Adaptation	HI	Environmental Education Programs, Partnerships; Training Programs;#Monitoring- Fish and Wildlife	11/1/2024
Maui Nui, Hawaii - Fishpond, Wetland Taro, and Coastal Habitat Restoration	HI	Environmental Education Programs, Partnerships; Training Programs;#Invasive Species Control;#Reef Restoration- Coral	11/1/2024
MBRI: Patapsco Delta Sustainable Fishery and Ecosystem Resilience Project	MD	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	10/28/2024
Integrated Evaluation of Resilience and Restoration in the Columbia River, Oregon	OR	Environmental Education Programs, Partnerships; Training Programs	10/24/2024

Flint River Restoration – Hamilton Dam Removal ADDENDUM	MI	Fish Passage- Dam and Culvert Removal/Modification	10/23/2024
Restoration of the Ottawa River in Jermain Park Project - Maumee AOC	OH	Freshwater Stream Bank Restoration and Erosion Reduction	10/22/2024
Urban reforestation of Cucharillas Marsh Nature Reserve	PR	Environmental Education Programs, Partnerships; Training Programs;#Monitoring-Implementation and Effectiveness;#Wetland Planting	10/21/2024
Urban Stream and Wetland Restoration with Underserved Community Engagement in Baltimore, Maryland	MD	Environmental Education Programs, Partnerships; Training Programs;#Freshwater Stream Channel Restoration;#Planning, Feasibility Studies, Design Engineering, and Permitting;#Wetland Planting	10/21/2024
Capacity, Engagement, and Traditional Ecological Knowledge: An Indigenous Approach to Resiliency	MI	Environmental Education Programs, Partnerships; Training Programs	10/17/2024
North Whidbey Milltown Restoration project in the Skagit River Estuary, Phase 2	WA	Invasive Species Control;#Monitoring-Implementation and Effectiveness;#Wetland Restoration- Levee and Culvert Removal;#Wetland Restoration- Sediment/Material Placement	10/15/2024
Hinckleys Pond Cranberry Bog Restoration	MA	Freshwater Stream Channel Restoration;#Monitoring-Implementation and Effectiveness;#Wetland Planting;#Wetland Restoration- Levee and Culvert Removal	10/9/2024
Mashpee Wampanoag Tribal Restoration of the Mashpee River, MA	MA	Environmental Education Programs, Partnerships; Training Programs;#Freshwater Stream Bank Restoration and Erosion Reduction;#Freshwater Stream Channel Restoration;#Planning, Feasibility Studies, Design Engineering, and Permitting;#Wetland Planting	10/8/2024
Carpenter Creek Full Passage Restoration Project	WA	Fish Passage- Dam and Culvert Removal/Modification	10/3/2024
Skagit Basin Riparian Restoration	WA	Wetland Planting	10/3/2024
Advancing Nature-Based Restoration and Resilience in Five Underserved Communities in Coastal South Carolina - Phase I	SC	Environmental Education Programs, Partnerships; Training Programs;#Monitoring-Implementation and Effectiveness;#Planning, Feasibility Studies, Design Engineering, and Permitting	10/1/2024

Advancing the Restoration of Sea-run Fisheries in the Penobscot Watershed - Piscataquis	ME	Fish Passage- Dam and Culvert Removal/Modification	9/24/2024
Umatilla Tribe Ceded Area Juvenile and Adult Passage Improvement Project- Elmer Dam on Catherine Creek	OR	Fishways- Technical or Nature-like	9/24/2024
Skagit Estuary Treaty Resource Recovery (Similk Wetland Restoration)	WA	Wetland Restoration- Levee and Culvert Removal	9/16/2024
Building Miami Community, Coastal, and Climate Resilience through Citizen Science Habitat Restoration	FL	Environmental Education Programs, Partnerships; Training Programs;#Reef Restoration- Coral;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	9/16/2024
Upper Quinault River Restoration Program- Upper Quinault River "Blueback" Sockeye Habitat Restoration Project	WA	Environmental Education Programs, Partnerships; Training Programs;#Freshwater Stream Channel Restoration	9/16/2024
Indigenous Stewardship Initiative Coastal & Climate Resilience in Southeast Alaska	AK	Environmental Education Programs, Partnerships; Training Programs	9/16/2024
Ecological Restoration of the Blue Creek Salmon Sanctuary Project	CA	Environmental Education Programs, Partnerships; Training Programs	8/30/2024
California North Coast Tribal Capacity and Climate Resilience Project	CA	Environmental Education Programs, Partnerships; Training Programs	8/29/2024
The Martha Randolph Stevens Park Living Shoreline Project - Phase I	GA	Monitoring- Implementation and Effectiveness;#Wetland Planting;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	8/28/2024
Klamath River Tributary Salmonid Habitat Restoration Project	CA	Wetland Restoration- Sediment Removal	8/28/2024
Phase II - Napa River Watershed Fish Passage Restoration Project	CA	Fish Passage- Dam and Culvert Removal/Modification	8/26/2024
Habitat restoration, monitoring, and scientific research to aid the recovery of Lake Ozette sockeye salmon and the resilience of the Makah Tribe	WA	Environmental Education Programs, Partnerships; Training Programs;#Monitoring- Fish and Wildlife;#Planning, Feasibility Studies, Design Engineering, and Permitting;#Wetland Restoration- Sediment Removal	8/23/2024
Caad Kuujaaminix Living Shoreline Design and Construction	LA	Environmental Education Programs, Partnerships; Training Programs;#Planning, Feasibility Studies, Design Engineering, and Permitting;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	8/14/2024

Umatilla Tribe Ceded Area Juvenile and Adult Passage Improvement Project - Homer Peterson Dam Removal - Birch Creek	OR	Fish Passage- Dam and Culvert Removal/Modification	8/12/2024
Removing barriers and restoring connectivity on the Roanoke River - Phase II- Part 1	NC	Fish Passage- Dam and Culvert Removal/Modification	8/2/2024
Alaska South Coast Resilience Partnership- Creating Resilient Alaska Native communities	AK	Environmental Education Programs, Partnerships; Training Programs	7/31/2024
Chuit River Studies: Finding Key Habitats, Increasing Knowledge, and Enabling Resilience for a Critical Cultural and Subsistence Resource for the Native Village of Tyonek, Alaska	AK	Planning, Feasibility Studies, Design Engineering, and Permitting	7/31/2024
Grand Traverse Band Upper Great Lakes Fish Passage Projects--Remaining Culvert Replacements	MI	Fish Passage- Dam and Culvert Removal/Modification	7/26/2024
Habitat Enhancement Design in Hudson River Park	NY	Reef Restoration- Artificial Reefs;#Subtidal Planting- SAV	6/28/2024
Alligator Creek Tier 2 Monitoring	FL	Monitoring- Implementation and Effectiveness	6/27/2024
Middle McKenzie Stage 0/8 Restoration Effectiveness Monitoring	OR	Monitoring- Implementation and Effectiveness	6/26/2024
USVI CMR3: Coral and Mangrove Infrastructure Restoration for Resilience and Workforce Readiness	VI	Reef Restoration- Coral	6/26/2024
Chandeleur Island Restoration Project	LA	Environmental Education Programs, Partnerships; Training Programs	6/26/2024
Evaluating the Effectiveness of Restoration on the Klamath River Using SONAR and Radio Telemetry	CA	Monitoring- Fish and Wildlife	6/25/2024
Stream and Habitat Restoration on Sucker Creek in the Town of Belgium, WI	WI	Freshwater Stream Bank Restoration and Erosion Reduction	6/25/2024
Cape Haze Ecosystem Restoration	FL	Planning, Feasibility Studies, Design Engineering, and Permitting	6/25/2024
Source to Sea: Connecting Cape Cod's Waters and Communities	MA	Land Acquisition;#Planning, Feasibility Studies, Design Engineering, and Permitting	6/24/2024
GulfCorps Resilience Collaborative (GRC): Transformative Restoration through Partnerships in the Gulf of Mexico	AL	Planning, Feasibility Studies, Design Engineering, and Permitting;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	6/24/2024
Renovacion de Arrecifes: Unprecedented Scale, Driven by Locals, Guided by Experience, Focused on Resilience - Cayo Largo, Fajardo, Puerto Rico	PR	Reef Restoration- Coral	6/24/2024
Reef Base Construction and Oyster Restoration	MD	Reef Restoration- Artificial Reefs;#Reef Restoration- Shellfish	6/24/2024

Oregon Coast Coho Recovery Plan Implementation	OR	Planning, Feasibility Studies, Design Engineering, and Permitting	6/24/2024
Olowalu Resilient Reef: Forest to the Sea Transformational Habitat Solutions- Phase 1	HI	Monitoring- Fish and Wildlife	6/21/2024
Restoration, Engagement, and Traditional Ecological Knowledge: An Indigenous Approach to Comprehensive Resiliency	MI	Land Acquisition;#Planning, Feasibility Studies, Design Engineering, and Permitting;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	6/21/2024
Transforming Habitat, Transforming Place: Community-led Restoration in Kealakekua, Hawai'i	HI	Reef Restoration- Coral	6/21/2024
Ragged Island Oyster Restoration and Shoreline Protection	VA	Reef Restoration- Shellfish;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	6/21/2024
The String of Pearls: Restoring Landscape Resilience for Sacramento River Salmon	CA	Fish Passage- Dam and Culvert Removal/Modification	6/21/2024
Grand Traverse Band Upper Great Lakes Fish Passage Projects--Jordan_WA-3: Jordan R/Jordan R Rd Barrier Removal	MI	Fish Passage- Dam and Culvert Removal/Modification	6/21/2024
Collaborative Restoration of a Network of Oyster Broodstock Spawning Reserves Across the Mission- Aransas Estuary, Texas	TX	Planning, Feasibility Studies, Design Engineering, and Permitting;#Reef Restoration- Shellfish;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	6/20/2024
Indian River Lagoon Restoration (SeaWorld)	FL	Reef Restoration- Shellfish	6/20/2024
Red Cap Creek Floodplain Restoration Project	CA	Wetland Restoration- Sediment Removal	6/20/2024
Waiākea and Pelekane: Restoration and Interpretive Trails of Historic Estuaries- Phase 1	HI	Environmental Education Programs, Partnerships; Training Programs;#Monitoring- Implementation and Effectiveness;#Planning, Feasibility Studies, Design Engineering, and Permitting;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	6/18/2024
Transformational Habitat Restoration and Connectivity in Downeast Maine	ME	Planning, Feasibility Studies, Design Engineering, and Permitting	6/18/2024
Cowlitz Indian Tribe-Kwoneesum Dam Removal Phase 2	WA	Fish Passage- Dam and Culvert Removal/Modification	6/17/2024
Hawaii Island Watershed Restoration and Recharge- Phase 1	HI	Planning, Feasibility Studies, Design Engineering, and Permitting	6/17/2024
Transformational Chinook Recovery in South Whidbey Basin Watersheds Phase 2	WA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/17/2024

John Heinz National Wildlife Refuge Floodplain Restoration	PA	Environmental Education Programs, Partnerships; Training Programs;#Wetland Restoration-Fringing Marsh and Shoreline Stabilization;#Wetland Restoration-Sediment Removal	6/17/2024
Queets Clearwater Large Wood Restoration Project - Phase I	WA	Freshwater Stream Channel Restoration;#Monitoring-Implementation and Effectiveness	6/17/2024
Next-Generation Coral Restoration Implementing and scaling new approaches to increase the climate resilience of Florida Coral Reef	FL	Reef Restoration- Coral	6/13/2024
Resilience through Floodplain Restoration: Creating conditions for native species and communities to thrive in the Upper Willamette	OR	Planning, Feasibility Studies, Design Engineering, and Permitting	6/12/2024
The New River Watershed Restoration and Resiliency Initiative - Phase I	NC	Monitoring- Implementation and Effectiveness;#Wetland Planting;#Wetland Restoration-Fringing Marsh and Shoreline Stabilization;#Wetland Restoration-Levee and Culvert Removal	6/12/2024
Pacific Coast Ocean Restoration Initiative (PCOR): Transformational Habitat Restoration for Subtidal Rocky Reef Ecosystems	CA	Environmental Education Programs, Partnerships; Training Programs	6/12/2024
Restoring Pacific salmon habitat and reducing disaster risk from climate change-induced glacial outburst flooding, Mendenhall River Watershed, Juneau, AK	AK	Freshwater Stream Channel Restoration	6/11/2024
Bride Brook Estuary Transformation: Restoring Ecosystems and Building Resilience at Rocky Neck State Park	CT	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	6/11/2024
Just Keep Swimming: Expanding Resilience in NC from Source to Sea in the Cape Fear River Basin - Phase I	NC	Fish Passage- Dam and Culvert Removal/Modification;#Monitoring-Implementation and Effectiveness	6/11/2024
Replacing the Cherryfield Ice Control Dam with a Nature-Like Fishway	ME	Fish Passage- Dam and Culvert Removal/Modification	6/11/2024
E.R. Collins Dam Removal, Pequest River, New Jersey	NJ	Fish Passage- Dam and Culvert Removal/Modification	6/11/2024
Swan Cove Restoration at Chincoteague National Wildlife Refuge	VA	Beach and Dune Restoration;#Wetland Restoration-Fringing Marsh and Shoreline Stabilization;#Wetland Restoration-Sediment/Material Placement	6/10/2024
Oyster Reef Restoration on Sapelo Island for Coastal Hazard Protection and Multiple Benefits - Phase I	GA	Monitoring- Implementation and Effectiveness;#Reef Restoration-Shellfish;#Wetland Restoration-Fringing Marsh and Shoreline Stabilization	6/10/2024

Barrier Removal in Merrymeeting Bay Tributaries: Restoring Critical Habitat for Maine Diadromous Fish Species	ME	Planning, Feasibility Studies, Design Engineering, and Permitting	6/10/2024
Upper Klamath River Tributary Post Dam Removal Salmonid Restoration	CA	Freshwater Stream Channel Restoration	6/7/2024
River Raisin Dam #4 Removal and Restoration	MI	Fish Passage- Dam and Culvert Removal/Modification	6/6/2024
Puyallup, WA, Watershed Restoration Project	WA	Freshwater Stream Channel Restoration	6/6/2024
Rockafellow's Mills Dam Removal Fish Passage	NJ	Fish Passage- Dam and Culvert Removal/Modification	6/6/2024
Matanuska Watershed Fish Passage Restoration Round II	AK	Fish Passage- Dam and Culvert Removal/Modification;#Planning, Feasibility Studies, Design Engineering, and Permitting	6/6/2024
Salmon SuperHwy Priority Fish Passage Restoration	OR	Fish Passage- Dam and Culvert Removal/Modification	6/6/2024
Tulalip Fish Passage Collaborative I and II	WA	Fish Passage- Dam and Culvert Removal/Modification	6/5/2024
Little Butte Creek Diversion Dam Fish Passage- RM 16.7	OR	Fish Passage- Dam and Culvert Removal/Modification	6/4/2024
Removal of Migratory Fish Barrier at Brighton Creek - Replacement of Harts Lake Road S. Culvert	WA	Fish Passage- Dam and Culvert Removal/Modification	6/4/2024
South Delacroix Marsh Creation	LA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/4/2024
Promoting recovery and resilience in anadromous gulf sturgeon and Alabama Shad through barrier removal	AL	Planning, Feasibility Studies, Design Engineering, and Permitting	6/3/2024
Yakima and Klickitat River Fish Passage Improvement - TFP	WA	Fish Passage- Dam and Culvert Removal/Modification;#Land Acquisition;#Planning, Feasibility Studies, Design Engineering, and Permitting	6/3/2024
Sustaining Native Village of Tyonek's Subsistence Salmon through Fish Passage Barrier Removal in West Cook Inlet, Alaska	AK	Fish Passage- Dam and Culvert Removal/Modification	6/3/2024
Littlefield Dam Removal and Little Androscoggin Watershed Improvements	ME	Fish Passage- Dam and Culvert Removal/Modification;#Planning, Feasibility Studies, Design Engineering, and Permitting	6/3/2024
Indian River Lagoon Habitat Restoration	FL	Fish Passage- Dam and Culvert Removal/Modification;#Monitoring-Implementation and Effectiveness;#Reef Restoration-Shellfish;#Subtidal Planting-SAV;#Wetland Planting;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	5/31/2024

Restoring the Mainstem: Realizing Dam Removal in the Piscataquis River	ME	Fish Passage- Dam and Culvert Removal/Modification;#Land Acquisition;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/31/2024
There and back again: A salmonid's tale to restored fish passage in the Mid-Willamette.	OR	Fish Passage- Dam and Culvert Removal/Modification	5/31/2024
5th Avenue Dam Removal and Deschutes Estuary Restoration	AK	Fish Passage- Dam and Culvert Removal/Modification	5/31/2024
San Gregorio Creek Habitat Enhancement at Apple Orchard	CA	Wetland Restoration- Sediment Removal	5/31/2024
Wenatchee Basin Fish Barrier Removal Project	WA	Fish Passage- Dam and Culvert Removal/Modification;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/30/2024
Olympic Peninsula Coldwater Connection Campaign Fish Passage Project	WA	Fish Passage- Dam and Culvert Removal/Modification	5/29/2024
Yakima River Fish Passage Improvement	WA	Fish Passage- Dam and Culvert Removal/Modification;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/29/2024
Restoring River Connectivity and Embracing Public Values at Potter Hill Dam	RI	Fish Passage- Dam and Culvert Removal/Modification;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/29/2024
Restoring Fish Passage in the Coquille River Watershed and Building Tribal Capacity	OR	Fish Passage- Dam and Culvert Removal/Modification	5/29/2024
Keno Dam Fish Passage Alternatives Analysis, Feasibility Study, and Initial Design	OR	Fish Passage- Dam and Culvert Removal/Modification	5/28/2024
Restoring access to historical habitats for migratory fishes of the Altamaha-Ocmulgee watershed	GA	Planning, Feasibility Studies, Design Engineering, and Permitting	5/28/2024
FCPC's Restoring Tribal Water Resources with Climate Resilient Structures Project	WI	Fish Passage- Dam and Culvert Removal/Modification	5/28/2024
Restoring Tribal Priority Fish Passage in the Penobscot and Merrymeeting Bay Salmon Habitat Recovery Units While Building the Penobscot Nation's Fisheries Restoration and Outreach Capacity	ME	Environmental Education Programs, Partnerships; Training Programs;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/28/2024
Agawam River Barrier Removals and Restoration	MA	Fish Passage- Dam and Culvert Removal/Modification;#Freshwater Stream Channel Restoration;#Land Acquisition;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/28/2024
Unlocking Unalaska Lake: Qawalangin Tribe's Restoration of Fish Passage Through Barrier Removal and Culvert Replacement	AK	Fish Passage- Dam and Culvert Removal/Modification	5/28/2024

Improving Fish Passage at the Woodland Dam on the International St. Croix River, Maine	ME	Planning, Feasibility Studies, Design Engineering, and Permitting	5/24/2024
Rivers of Resilience: Protecting Copper River's Vital Salmon Habitat	AK	Planning, Feasibility Studies, Design Engineering, and Permitting	5/24/2024
Improving Migratory Fish Passage in the Skutik River, Heart of the Traditional Peskotomuhkati Homeland	ME	Environmental Education Programs, Partnerships; Training Programs;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/24/2024
Sunol Valley Fish Passage Project	CA	Fish Passage- Dam and Culvert Removal/Modification	5/23/2024
Nason Creek Floodplain (DOT-N1) RM 3.2 to 4.6 Stream Restoration	WA	Fish Passage- Dam and Culvert Removal/Modification;#Freshwater Stream Channel Restoration;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/23/2024
Sitka Sedge Tidal Wetland Habitat Restoration	OR	Planning, Feasibility Studies, Design Engineering, and Permitting	5/23/2024
Perdido Watershed Habitat and Community Resilience Initiative: Incorporating Nature Based and Hybrid Solutions Across Alabama and Florida - Robinson Island	AL	Wetland Restoration- Fringing Marsh and Shoreline Stabilization;#Wetland Restoration- Sediment/Material Placement	5/23/2024
Removing Barriers to Salmon Migration and Increasing Community Resilience in the Tongass National Forest	AK	Fish Passage- Dam and Culvert Removal/Modification	5/23/2024
Waite Ranch Tidal Wetland Restoration Project	OR	Freshwater Stream Channel Restoration;#Wetland Planting;#Wetland Restoration- Levee and Culvert Removal	5/23/2024
Napa River Watershed Fish Passage Restoration Project	CA	Fish Passage- Dam and Culvert Removal/Modification;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/22/2024
Green Valley Creek: Iron Horse Off-Channel Habitat	CA	Wetland Restoration- Sediment Removal	5/20/2024
Skagit Basin Tribal Priority Fish Passage Implementation 2023	WA	Fish Passage- Dam and Culvert Removal/Modification	5/16/2024
The creation of a nature-like fishway bypass to circumvent the historic Jenney Pond Dam, improving passage for alewife, blueback herring, and American eel at all life stages	MA	Fishways- Technical or Nature-like;#Freshwater Stream Channel Restoration;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/16/2024
Orange County, California Fishway Project	CA	Fishways- Technical or Nature-like	5/15/2024
Butano Creek Habitat Enhancement at Camp Butano	CA	Wetland Restoration- Sediment Removal	5/15/2024
Ennis Creek Barrier Correction - East Ennis Road	WA	Fish Passage- Dam and Culvert Removal/Modification	5/14/2024

Rapidan River Restoration - Rapidan Dam Removal	VA	Fish Passage- Dam and Culvert Removal/Modification;#Freshwater Stream Bank Restoration and Erosion Reduction;#Freshwater Stream Channel Restoration	5/13/2024
Snohomish Cooperative Salmon Barrier Removal Project - Sister of Friar Creek	WA	Fish Passage- Dam and Culvert Removal/Modification	5/13/2024
Daniels Dam Fish Passage, Patapsco River, Maryland	MD	Fish Passage- Dam and Culvert Removal/Modification;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/13/2024
Kasaan to Goose Creek Road Project - Final Design, Permitting & Construction for Restoring Tribal Fish Passage through Barrier Removal.	AK	Fish Passage- Dam and Culvert Removal/Modification;#Planning, Feasibility Studies, Design Engineering, and Permitting	5/9/2024
San Gregorio Creek Habitat Enhancement Phase III	CA	Wetland Restoration- Sediment Removal	5/8/2024
Hood Canal Bridge Fish Passage Project	WA	Fishways- Technical or Nature-like	5/7/2024
Snohomish Cooperative Salmon Barrier Removal Project - Little Pilchuck Tributary	WA	Fish Passage- Dam and Culvert Removal/Modification	5/7/2024
West Fork of the Hoquiam River Dam Removal Project	WA	Planning, Feasibility Studies, Design Engineering, and Permitting	5/6/2024
West Hawai'i Coral Restoration and Co-Management	HI	Environmental Education Programs, Partnerships; Training Programs;#Planning, Feasibility Studies, Design Engineering, and Permitting;#Reef Restoration- Coral	4/29/2024
Stoney Creek Fish Passage and Habitat Restoration Project -Implementation	MI	Fish Passage- Dam and Culvert Removal/Modification	4/23/2024
Ostrander Creek Fish Passage Project, WA	WA	Fish Passage- Dam and Culvert Removal/Modification	4/23/2024
Flint River Restoration – Hamilton Dam Removal --Implementation	MI	Fish Passage- Dam and Culvert Removal/Modification	4/22/2024
Big Cedar Creek Fish Barrier Removal	ID	Fish Passage- Dam and Culvert Removal/Modification	4/15/2024
Willow Creek: Valley Wetlands Resiliency Project	CA	Freshwater Stream Channel Restoration;#Monitoring- Fish and Wildlife	4/11/2024
Clackamas Partnership Native Fish Population Habitat Resilience Phase II	OR	Fish Passage- Dam and Culvert Removal/Modification;#Freshwater Stream Channel Restoration;#Invasive Species Control;#Monitoring- Implementation and Effectiveness;#Planning, Feasibility Studies, Design Engineering, and Permitting	4/4/2024
Pamlico Sound Oyster Sanctuary and Educational Training - Phase II	NC	Monitoring- Implementation and Effectiveness;#Reef Restoration- Shellfish	4/2/2024

Transforming the Scale and Equity of Living Shorelines in South Carolina - MCAS Beaufort Shoreline Restoration	SC	Monitoring- Implementation and Effectiveness;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/28/2024
Initiating Transformational Habitat Restoration in the Great Marsh Area of Critical Environmental Concern, MA - Orchard Street	MA	Monitoring- Implementation and Effectiveness;#Wetland Planting;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization;#Wetland Restoration- Levee and Culvert Removal	3/28/2024
Project Name:Upper Sandy River Basin (OR) Salmon and Steelhead Habitat Restoration - Henry Creek Fish Passage	OR	Fish Passage- Dam and Culvert Removal/Modification	3/27/2024
Neefus Gulch Earthen Berm Removal	CA	Fish Passage- Dam and Culvert Removal/Modification	3/27/2024
Rogue Basin (OR) Fish Passage Tributaries Initiative - Pomeroy Dam Removal	OR	Fish Passage- Dam and Culvert Removal/Modification;#Monitoring- Implementation and Effectiveness;#Water Conservation and Stream Diversion	3/25/2024
Restoring Rearing Habitat for Juvenile Coho Salmon, Smith River, CA- Phase II	CA	Freshwater Stream Channel Restoration	3/25/2024
Enbridge Pipeline Release NRDA - Final Amendment to Final DARP/EA	MI	Road Upgrading/Decommissioning; Trail Restoration	3/4/2024
Chickaloon Village Traditional Council Tribal Fish Passage Project - Implementation	AK	Fish Passage- Dam and Culvert Removal/Modification	2/29/2024
Gulf of Mexico Community Based Oyster Recycling and Reef Restoration Network	FL	Reef Restoration- Shellfish	2/22/2024
Sandusky Bay Initiative Pickerel Creek East Nature-Based Shoreline	OH	Freshwater Stream Bank Restoration and Erosion Reduction;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	2/12/2024
Alabama GulfCorps Year 7 - Amendment / Round 2	AL	Debris Removal;#Environmental Education Programs, Partnerships; Training Programs;#Invasive Species Control;#Monitoring- Implementation and Effectiveness;#Prescribed Burns;#Reef Restoration- Shellfish;#Road Upgrading/Decommissioning; Trail Restoration;#Signage and Access Management;#Wetland Planting;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	2/7/2024

Louisiana GulfCorps Year 7 - Amendment / Round 2	LA	Debris Removal;#Environmental Education Programs, Partnerships; Training Programs;#Invasive Species Control;#Monitoring- Implementation and Effectiveness;#Prescribed Burns;#Reef Restoration- Shellfish;#Road Upgrading/Decommissioning; Trail Restoration;#Signage and Access Management;#Wetland Planting;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization	2/7/2024
Muskegon Lake Boys & Girls Club Restoration Project- Muskegon Lake AOC	MI	Wetland Restoration- Sediment Removal	1/12/2024
Hawai'i Coral Reef Strategy Makai Restoration Action Plan Statewide Coordination	HI	Environmental Education Programs, Partnerships; Training Programs	12/19/2023
Phase 2 - Habitat Restoration Identification and Implementation in the Narragansett Bay	RI	Invasive Species Control;#Species Enhancement;#Wetland Restoration- Fringing Marsh and Shoreline Stabilization;#Wetland Restoration- Levee and Culvert Removal	11/29/2023
DARRP RESTORATION IMPLEMENTATION GRANTS (RIG): SOUTHEAST REGION	LA	Environmental Education Programs, Partnerships; Training Programs;#Monitoring- Fish and Wildlife;#Monitoring- Implementation and Effectiveness;#Planning, Feasibility Studies, Design Engineering, and Permitting	11/27/2023
Louisiana GulfCorps Year 7	LA	Debris Removal; Environmental Education Programs, Partnerships; Training Programs; Invasive Species Control; Monitoring- Implementation and Effectiveness; Prescribed Burns; Reef Restoration- Shellfish; Road Upgrading/Decommissioning; Trail Restoration; Signage and Access Management; Wetland Planting; Wetland Restoration- Fringing Marsh and Shoreline Stabilization	11/13/2023

Texas GulfCorps Year 7	TX	Debris Removal; Environmental Education Programs, Partnerships; Training Programs; Invasive Species Control; Monitoring- Implementation and Effectiveness; Prescribed Burns; Reef Restoration- Shellfish; Road Upgrading/Decommissioning; Trail Restoration; Signage and Access Management; Wetland Planting; Wetland Restoration- Fringing Marsh and Shoreline Stabilization	11/13/2023
Alabama GulfCorps Year 7	AL	Debris Removal; Environmental Education Programs, Partnerships; Training Programs; Invasive Species Control; Monitoring- Implementation and Effectiveness; Prescribed Burns; Reef Restoration- Shellfish; Road Upgrading/Decommissioning; Trail Restoration; Signage and Access Management; Wetland Planting; Wetland Restoration- Fringing Marsh and Shoreline Stabilization	11/13/2023
Sexton Creek Fish Passage Project	WA	Fish Passage- Dam and Culvert Removal/Modification	10/30/2023
Everett Creek Culvert Removal	WA	Fish Passage- Dam and Culvert Removal/Modification	10/30/2023
Florida GulfCorps Year 7	FL	Debris Removal; Environmental Education Programs, Partnerships; Training Programs; Invasive Species Control; Monitoring- Implementation and Effectiveness; Prescribed Burns; Reef Restoration- Shellfish; Road Upgrading/Decommissioning; Trail Restoration; Signage and Access Management; Wetland Planting; Wetland Restoration- Fringing Marsh and Shoreline Stabilization	10/27/2023
White River Restoration Fish Passage Project- Implementation	MI	Fish Passage- Dam and Culvert Removal/Modification	10/23/2023
Lakeview Marsh Restoration	NY	Freshwater Stream Channel Restoration	9/27/2023
Coral Reef Restoration Planning and Implementation in the Pacific	HI	Reef Restoration- Coral	9/20/2023
Olympic Peninsula Cold Water Connection Campaign- Anton and Cedar Creek	WA	Fish Passage- Dam and Culvert Removal/Modification	8/23/2023
Transformational Chinook Recovery in South and North Whidbey Basin Watersheds - Phase 2 Woods Creek	WA	Debris Removal	7/19/2023

Transformational Chinook Recovery in South and North Whidbey Basin Watersheds - Phase 2 Port Susan Bay	WA	Freshwater Stream Channel Restoration;#Wetland Restoration- Levee and Culvert Removal	7/19/2023
Priority Coho Salmon and Steelhead Watershed Restoration, Northern Santa Cruz Mountains-Gazos Creek	CA	Road Upgrading/Decommissioning; Monitoring- Implementation and Effectiveness	7/18/2023
Priority Coho Salmon and Steelhead Watershed Restoration, Northern Santa Cruz Mountains-Mindego Creek Fish Passage Projec	CA	Fish Passage- Dam and Culvert Removal/Modification; Freshwater Stream Channel Restoration; Monitoring- Implementation and Effectiveness	7/18/2023
Advancing the Restoration of Sea-run Fisheries in the Penobscot Watershed - Baskahegan Fishway Project	ME	Technical and Nature-like Fishways; Monitoring- Implementation and Effectiveness	7/18/2023
Advancing the Restoration of Sea-run Fisheries in the Penobscot Watershed - Piscataquis River Watershed Culvert Replacement	ME	Fish Passage- Dam and Culvert Removal/Modification; Monitoring- Implementation and Effectiveness	7/10/2023
Informing Willow Creek restoration: Understanding salmonid habitat use and identifying low flow passage bottlenecks	CA	Monitoring- Fish and Wildlife	6/28/2023
Ten Mile River Effectiveness Monitoring	CA	Monitoring- Fish and Wildlife	6/28/2023
California Veteran Fisheries Corps	CA	Environmental Education Programs, Partnerships; Training Programs,Monitoring- Fish and Wildlife,Planning, Feasibility Studies, Design Engineering, and Permitting	6/27/2023
Mangrove Restoration and Rehabilitation in Jobos Bay NERR, PR	PR	Species Enhancement	6/26/2023
Addressing Priority Barriers in the Watersheds of the Great Marsh, MA - Howlett Brook Fishway	MA	Fish Passage- Dam and Culvert Removal/Modification	6/23/2023
Flint River Restoration â€” Hamilton Dam Removal Phase I	MI	Fish Passage- Dam and Culvert Removal/Modification	6/23/2023
Umatilla Tribe Ceded Area Juvenile and Adult Passage Improvement Project - Walla Walla Forks Phase 2	OR	Freshwater Stream Channel Restoration,Water Conservation and Stream Diversion	6/20/2023
Pescadero Creek Large Wood Habitat Enhancement Project	CA	Freshwater Stream Channel Restoration	6/16/2023
DU - DARRP Institutional Award Renewal (DARRP Restoration Implementation "Umbrella" Grant)	HQ	Environmental Education Programs, Partnerships; Training Programs,Monitoring- Implementation and Effectiveness,Planning, Feasibility Studies, Design Engineering, and Permitting	6/15/2023

TNC-NOAA Nationwide DARRP Cooperative Agreement Renewal (DARRP Restoration Implementation "Umbrella" Grant)	HQ	Environmental Education Programs, Partnerships; Training Programs, Monitoring-Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting	6/15/2023
A Partnership to Advance Resilient, Inclusive Coasts	HQ	Environmental Education Programs, Partnerships; Training Programs	6/14/2023
Habitat Restoration Identification and Implementation in the Narragansett Bay	RI	Environmental Education Programs, Partnerships; Training Programs, Invasive Species Control, Monitoring-Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting	6/14/2023
Umatilla Tribe Ceded Area Juvenile and Adult Passage Improvement Project - West Birch Creek	OR	Fish Passage- Dam and Culvert Removal/Modification	6/12/2023
White River Restoration Project	MI	Fish Passage- Dam and Culvert Removal/Modification	6/7/2023
Gansevoort Peninsula Shoreline Habitat Research & Community Science Initiative, Hudson River, NYC	NY	Monitoring- Fish and Wildlife, Reef Restoration- Shellfish	6/6/2023
Tug Powhatan Oil Spill, Sitka, Alaska NRDA case - Engaging Tribal Youth in Marine Biotoxin Assessments	AK	Environmental Education Programs, Partnerships; Training Programs, Monitoring- Fish and Wildlife	6/1/2023
United States Virgin Islands Transformational Reef Restoration	PR	Environmental Education Programs, Partnerships; Training Programs, Monitoring-Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting, Reef Restoration- Coral	5/25/2023
Port Angeles Harbor - Final Damage Assessment and Restoration Plan: Eelgrass Transplant Activities	WA	Monitoring- Implementation and Effectiveness, Subtidal Planting- SAV	5/22/2023
Skagit Estuary Treaty Resource Recovery	WA	Fish Passage- Dam and Culvert Removal/Modification, Monitoring-Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting	5/19/2023
Tioga Falls Natural Fishway	OR	Fishways- Technical or Nature-like, Freshwater Stream Channel Restoration	5/16/2023
Little Butte Creek Diversion Dam Fish Passage- Lost Creek	OR	Fish Passage- Dam and Culvert Removal/Modification	5/11/2023

BoriCorps: Strengthening Puerto Rico's Underserved Communities through Coastal Habitat Restoration and Resilience Building	PR	Environmental Education Programs, Partnerships; Training Programs, Invasive Species Control, Signage and Access Management, Species Enhancement, Subtidal Planting- SAV, Wetland Planting	5/10/2023
USVI Residential Erosion Control	VI	Environmental Education Programs, Partnerships; Training Programs, Freshwater Stream Bank Restoration and Erosion Reduction, Planning, Feasibility Studies, Design Engineering, and Permitting	5/8/2023
Butano Creek Backfield Floodplain and Streamflow Improvement Project	CA	Wetland Restoration- Sediment Removal	5/5/2023
Making Space: The Southeastern Massachusetts Marsh Migration Initiative	MA	Freshwater Stream Bank Restoration and Erosion Reduction, Freshwater Stream Channel Restoration, Wetland Planting, Wetland Restoration- Levee and Culvert Removal, Wetland Restoration- Sediment Removal	5/3/2023
Restoring Kelp Forest Habitat in Greater Farallones National Marine Sanctuary	CA	Invasive Species Control, Subtidal Planting- SAV	5/2/2023
Multi-Site Coral Restoration in Florida, Puerto Rico, and US Virgin Islands	FL	Reef Restoration- Coral	5/2/2023
Critical Eelgrass Habitat Inventory on Lummi Reservation Tidelands	WA	Invasive Species Control, Fish and Wildlife Monitoring	5/2/2023
Building Organizational Capacity to Enhance and Supplement Coastal Conservation and Resiliency Efforts in the Matagorda Bay Ecosystem	TX	Environmental Education Programs, Partnerships; Training Programs	4/28/2023
Pathways to transformative ecological restoration of Florida's Coral Reef	FL	Monitoring- Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting, Reef Restoration- Coral	4/28/2023
Mill Creek Community Engagement and Pilot Project: Slade Mill Dam Removal	MA	Environmental Education Programs, Partnerships; Training Programs	4/26/2023
A Tribal-Scientific Alliance to Restore Red Abalone in Northern California's Kelp Forest Ecosystem	CA	Environmental Education Programs, Partnerships; Training Programs, Monitoring- Fish and Wildlife, Monitoring- Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting, Subtidal Planting- Marine Algae	4/26/2023

Island Road Marsh Creation and Nourishment (TE-117) Construction (Phase 2)	LA	Wetland Restoration- Fringing Marsh and Shoreline Stabilization,Wetland Restoration- Sediment/Material Placement	4/25/2023
Lower South Fork Nooksack Chinook Recovery 2023-25	WA	Freshwater Stream Channel Restoration	4/25/2023
East Delacroix Marsh Creation and Terracing Project Construction (Phase 2)	LA	Wetland Restoration- Fringing Marsh and Shoreline Stabilization,Wetland Restoration- Sediment/Material Placement	4/25/2023
Salmon SuperHwy Fish Passage and Stream Restoration - Samson Creek	OR	Fish Passage- Dam and Culvert Removal/Modification	4/24/2023
Capacity Expansion to Support Habitat Restoration and Resilience in the Gullah Geechee Corridor	SC	Planning, Feasibility Studies, Design Engineering, and Permitting	4/24/2023
Coastal Habitat Restoration at Haulover Beach Park, Florida	FL	Environmental Education Programs, Partnerships; Training Programs,Invasive Species Control,Reef Restoration-Coral,Wetland Planting	4/21/2023
Baldwin Hills Parklands Community Connections: Habitat Restoration/Climate Resiliency Program - Phase 1	CA	Environmental Education Programs, Partnerships; Training Programs,Invasive Species Control	4/21/2023
Southeast Louisiana's Asian American Fisherfolk Climate Change Adaptation Plan	LA	Planning, Feasibility Studies, Design Engineering, and Permitting	4/17/2023
Technical analysis of the Port of Providence (RI) to determine shoreline, habitat restoration, & climate resilience needs	RI	Environmental Education Programs, Partnerships; Training Programs,Planning, Feasibility Studies, Design Engineering, and Permitting	4/17/2023
Using the Ecological Restoration of Dunes and Mangroves to Improve Coastal Community and Habitat Resilience in Loiza, Puerto Rico	PR	Beach and Dune Restoration,Environmental Education Programs, Partnerships; Training Programs	4/17/2023
Bayou Bienvenue Wetlands Triangle Habitat Restoration - Planning and Design	LA	Environmental Education Programs, Partnerships; Training Programs,Planning, Feasibility Studies, Design Engineering, and Permitting	4/13/2023
Coral Community Dive Program in W. Oahu, Hawaii	HI	Environmental Education Programs, Partnerships; Training Programs	4/13/2023
Stony Island Habitat Restoration Project-additional construction	MI	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	4/13/2023
Community-driven restoration priorities and meaningful engagement in the Scajaquada Creek watershed	NY	Environmental Education Programs, Partnerships; Training Programs,Planning, Feasibility Studies, Design Engineering, and Permitting	4/11/2023

Guanica Lagoon Restoration to reduce LBSP, Puerto Rico	PR	Planning, Feasibility Studies, Design Engineering, and Permitting	4/11/2023
Bridging the Gap: A Natural Areas Restoration Training and Professional Development Program	NY	Environmental Education Programs, Partnerships; Training Programs, Monitoring-Implementation and Effectiveness	4/11/2023
Environmental Resilience: The Mattaponi Indian Tribe and Reservation Coastal Habitat Restoration Project	VA	Environmental Education Programs, Partnerships; Training Programs, Planning, Feasibility Studies, Design Engineering, and Permitting	4/10/2023
Ecological Assessment of the Little Rapids Habitat Restoration Project within the St. Marys River AOC	MI	Monitoring- Implementation and Effectiveness	4/7/2023
MBRI: Patapsco Delta Sustainable Fishery and Ecosystem Resilience Project	MD	Environmental Education Programs, Partnerships; Training Programs, Planning, Feasibility Studies, Design Engineering, and Permitting	4/7/2023
Co-creating Inclusive Community Resilience Projects with Nature-based Solutions in the Coastal Carolinas	NC	Planning, Feasibility Studies, Design Engineering, and Permitting	4/7/2023
Waihee Coastal Dunes & Wetlands Refuge Restoration, Maui, Hawaii	HI	Water Conservation and Stream Diversion	4/6/2023
Restoring Louisiana Marshes: Protecting Sacred Sites, Increasing Tribal Resilience, and Reducing Flood Risk	LA	Monitoring- Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting, Wetland Restoration- Sediment/Material Placement	4/4/2023
Pensacola Bay System Oyster Restoration Initiative	FL	Environmental Education Programs, Partnerships; Training Programs, Monitoring-Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting	4/4/2023
Developing a Climate Impact Statement for Coastal Erosion and Shoreline Stability in Levelock, AK	AK	Environmental Education Programs, Partnerships; Training Programs, Planning, Feasibility Studies, Design Engineering, and Permitting	4/3/2023
Restoration for All (R4A), WA	WA	Environmental Education Programs, Partnerships; Training Programs	3/30/2023
Sandusky Bay Initiative Pickerel Creek East Nature-Based Shoreline	OH	Planning, Feasibility Studies, Design Engineering, and Permitting	3/30/2023
Little Cedar Creek-Implementation	MI	Fish Passage- Dam and Culvert Removal/Modification	3/30/2023
Alligator Creek Stream Restoration	FL	Planning, Feasibility Studies, Design Engineering, and Permitting	3/29/2023

Project Planning and Design for Caad Kuujaaminix/Bayou Sale in St.Mary Parish, Louisiana	LA	Environmental Education Programs, Partnerships; Training Programs,Planning, Feasibility Studies, Design Engineering, and Permitting	3/28/2023
Site Prioritization, Design, and Implementation for Priority Watersheds on Saipan, CNMI	MP	Planning, Feasibility Studies, Design Engineering, and Permitting	3/28/2023
Clackamas Partnership Native Fish Population Habitat Resilience - Phase 1	OR	Fish Passage- Dam and Culvert Removal/Modification,Freshwater Stream Channel Restoration,Monitoring- Implementation and Effectiveness,Planning, Feasibility Studies, Design Engineering, and Permitting	3/28/2023
Restoring Resilience Through Central Wetlands Reforestation Collective, New Orleans	LA	Fringing Marsh and Shoreline Stabilization, SAV Restoration, Wetland Planting, Planning, Feasibility Studies, Design Engineering, and Permitting	3/27/2023
Texas GulfCorps Year 6	TX	Debris Removal, Environmental Education Programs, Partnerships; Training Programs, Invasive Species Control, Monitoring- Implementation and Effectiveness, Prescribed Burns, Reef Restoration- Shellfish, Road Upgrading/Decommissioning; Trail Restoration, Signage and Access Management, Wetland Planting, Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/21/2023
Chankawan Side Channel Restoration, OR	OR	Fish Passage- Dam and Culvert Removal/Modification,Freshwater Stream Channel Restoration	3/21/2023
McCoys Creek Restoration Construction - The Branches	FL	Environmental Education Programs, Partnerships; Training Programs,Freshwater Stream Channel Restoration,Planning, Feasibility Studies, Design Engineering, and Permitting	3/21/2023
Southfork Nooksack River Restoration Project	WA	Freshwater Stream Channel Restoration	3/20/2023
North Port St Joe Stormwater Management	FL	Planning, Feasibility Studies, Design Engineering, and Permitting	3/16/2023
Critical Habitat Restoration and Planning through Community Engagement in Gary, Indiana	IN	Planning, Feasibility Studies, Design Engineering, and Permitting	3/16/2023
Finn Rock Floodplain Habitat Restoration Project	OR	Freshwater Stream Channel Restoration	3/15/2023

Red Cap Creek Floodplain Restoration Project	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	3/15/2023
Ackerman Creek Restoration Design Project	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	3/13/2023
Hogans Creek Restoration Design Project	FL	Environmental Education Programs, Partnerships; Training Programs, Planning, Feasibility Studies, Design Engineering, and Permitting	3/13/2023
Salmon River Tributary Salmonid Habitat Enhancement Project	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	3/10/2023
Bucktown Marsh Restoration and Living Shoreline	LA	Monitoring- Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting, Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/10/2023
Ox Creek Corridor Ecosystem Restoration	MI	Planning, Feasibility Studies, Design Engineering, and Permitting	3/9/2023
Lower Lake St. Clair Habitat Restoration Project	MI	Planning, Feasibility Studies, Design Engineering, and Permitting	3/9/2023
Gulf of Mexico Community Based Oyster Recycling and Reef Restoration Network	LA	Environmental Education Programs, Partnerships; Training Programs, Reef Restoration- Shellfish	3/9/2023
Holistic Community-led Habitat Restoration in a Hawaiian Context - Phase 1	HI	Monitoring- Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting, Reef Restoration- Coral	3/9/2023
Implementing Nature-Based Solutions for Habitat, Community, and Coastal Resilience along Coffee Island, AL	AL	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/7/2023
REEFranchise Restoration of Severely Degraded Coral Reefs in Hawaii - Phase 1	HI	Monitoring- Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting, Reef Restoration- Coral	3/7/2023
Multi-strategic approaches to scaling-up ecosystem-based restoration to improve coral reef recovery and resilience around Puerto Rico	PR	Reef Restoration- Coral	3/6/2023
Herring River Restoration Project, Phase 1	MA	Fish Passage- Dam and Culvert Removal/Modification, Freshwater Stream Channel Restoration, Planning, Feasibility Studies, Design Engineering, and Permitting, Road Upgrading/Decommissioning; Trail Restoration, Wetland Restoration- Levee and Culvert Removal	3/2/2023

Pamlico Sound Oyster Sanctuary and Educational Training - Phase 1	NC	Monitoring- Implementation and Effectiveness,Planning, Feasibility Studies, Design Engineering, and Permitting,Reef Restoration- Shellfish	3/1/2023
Lower East Fork Lewis Floodplain Reclamation - Phase 1	WA	Freshwater Stream Bank Restoration and Erosion Reduction,Monitoring-Implementation and Effectiveness,Planning, Feasibility Studies, Design Engineering, and Permitting	3/1/2023
Prairie Creek Floodplain Restoration Project Phase 4	CA	Wetland Restoration- Sediment/Material Placement	2/28/2023
Transformational Chinook Recovery in South and North Whidbey Basin Watersheds - Phase 1	WA	Monitoring- Implementation and Effectiveness,Planning, Feasibility Studies, Design Engineering, and Permitting,Wetland Restoration- Levee and Culvert Removal	2/28/2023
Quartz Creek Ecosystem Resiliency Project - Phase 1	OR	Freshwater Stream Channel Restoration,Monitoring-Implementation and Effectiveness,Planning, Feasibility Studies, Design Engineering, and Permitting	2/28/2023
Restoration of a Watershed and Salmon in Alaska - Resurrection Creek Phase 1	AK	Freshwater Stream Channel Restoration,Monitoring-Implementation and Effectiveness,Planning, Feasibility Studies, Design Engineering, and Permitting	2/28/2023
Transforming the Scale and Equity of Living Shorelines in South Carolina - Phase 1	SC	Monitoring- Implementation and Effectiveness,Planning, Feasibility Studies, Design Engineering, and Permitting,Reef Restoration- Shellfish	2/27/2023
Sugar Island Habitat Restoration Implementation - Supplemental	MI	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	2/27/2023
Restoring Rearing Habitat for Juvenile Coho Salmon, Smith River, CA - Phase 1	CA	Freshwater Stream Channel Restoration,Monitoring-Implementation and Effectiveness,Planning, Feasibility Studies, Design Engineering, and Permitting,Road Upgrading/Decommissioning; Trail Restoration	2/24/2023
Perdido Watershed Habitat and Community Resilience Initiative: Incorporating Nature Based and Hybrid Solutions Across Alabama and Florida	AL	Planning, Feasibility Studies, Design Engineering, and Permitting,Wetland Restoration- Fringing Marsh and Shoreline Stabilization	2/24/2023

Priority Coho Salmon and Steelhead Watershed Restoration, Northern Santa Cruz Mountains	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	2/23/2023
Lower Big Quilcene River and Estuary Restoration Project - Moon Valley Reach Phase 1	WA	Planning, Feasibility Studies, Design Engineering, and Permitting	2/22/2023
Bear Haven Creek Coho Stream Habitat Enhancement Project	CA	Freshwater Stream Channel Restoration	2/21/2023
SALMON RIVER TRESTLE POOL PROJECT	NY	Freshwater Stream Channel Restoration	2/21/2023
Lower Russian River Watershed Coho Habitat Restoration Project	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	2/15/2023
Mendocino Coast Transformational Habitat Restoration for Coho Salmon Recovery - Phase 1	CA	Freshwater Stream Channel Restoration, Planning, Feasibility Studies, Design Engineering, and Permitting	2/9/2023
Initiating Transformational Habitat Restoration in the Great Marsh Area of Critical Environmental Concern, MA	MA	Planning, Feasibility Studies, Design Engineering, and Permitting, Wetland Restoration- Levee and Culvert Removal	2/9/2023
Dry Dock Gulch Fish Passage Improvement	CA	Fish Passage- Dam and Culvert Removal/Modification	2/1/2023
Olympic Peninsula Coldwater Campaign - Wisen Creek	WA	Fish Passage- Dam and Culvert Removal/Modification, Monitoring- Implementation and Effectiveness	1/19/2023
Camp Sabroske - Design and Permitting	OH	Planning, Feasibility Studies, Design Engineering, and Permitting	1/18/2023
Nooksack Fish Passage Barrier Removal Designs	ID	Planning, Feasibility Studies, Design Engineering, and Permitting	1/12/2023
Yankee Fork Fish Passage Improvement	ID	Monitoring- Implementation and Effectiveness, Planning, Feasibility Studies, Design Engineering, and Permitting	1/12/2023
Alabama GulfCorps Year 6	AL	Debris Removal, Environmental Education Programs, Partnerships; Training Programs, Invasive Species Control, Monitoring- Implementation and Effectiveness, Prescribed Burns, Reef Restoration- Shellfish, Road Upgrading/Decommissioning; Trail Restoration, Signage and Access Management, Wetland Planting, Wetland Restoration- Fringing Marsh and Shoreline Stabilization	1/11/2023

		Debris Removal,Environmental Education Programs, Partnerships; Training Programs,Invasive Species Control,Monitoring- Implementation and Effectiveness,Prescribed Burns,Reef Restoration- Shellfish,Road Upgrading/Decommissioning; Trail Restoration,Signage and Access Management,Wetland Planting,Wetland Restoration-Fringing Marsh and Shoreline Stabilization	
Louisiana GulfCorps Year 6	LA		1/11/2023
Engaging Community and Reconnecting Anadromy in "takim S"wi (Big Chico Creek, Sacramento River Watershed)	CA	Fish Passage- Dam and Culvert Removal/Modification	1/6/2023
Kinneytown Dam Removal	CT	Fish Passage- Dam and Culvert Removal/Modification,Planning, Feasibility Studies, Design Engineering, and Permitting	1/4/2023
Salmonid Passage Remediation and Tribal Capacity Building on the Eel River, California	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	1/3/2023
Lower Jalama Creek Fish Passage Project	CA	Fish Passage- Dam and Culvert Removal/Modification	1/3/2023
Santa Margarita River Bridge Replacement and Fish Passage Project	CA	Fish Passage- Dam and Culvert Removal/Modification	1/3/2023
		Debris Removal,Environmental Education Programs, Partnerships; Training Programs,Invasive Species Control,Monitoring- Implementation and Effectiveness,Prescribed Burns,Reef Restoration- Shellfish,Road Upgrading/Decommissioning; Trail Restoration,Signage and Access Management,Wetland Planting,Wetland Restoration-Fringing Marsh and Shoreline Stabilization

Pescadero Creek Streamflow Improvement Project	CA	Water Conservation and Stream Diversion	6/26/2017
Butano Creek Channel Hydrologic Reconnection	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/26/2017
Quonochontaug Pond Salt Marsh Restoration	RI	Wetland Restoration- Sediment/Material Placement	6/26/2017
Ravenswood Restoration project	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/26/2017
Tyonek Fish Passage Restoration	AK	Fish Passage- Dam and Culvert Removal/Modification	6/26/2017
Kilisut Harbor Tidal Restoration Project	WA	Wetland Restoration- Levee and Culvert Removal	6/23/2017
Restoring fish passage throughout a coastal Maine watershed containing alewife and Atlantic salmon: a NOAA Species in the Spotlight	ME	Planning, Feasibility Studies, Design Engineering, and Permitting	6/22/2017
Winter Lake Restoration Project	OR	Wetland Restoration- Levee and Culvert Removal	6/22/2017
Oyster Reef Restoration in Naples Bay, Florida	FL	Planning, Feasibility Studies, Design Engineering, and Permitting	6/22/2017
Jones River--Elm Street Dam removal at Head of Tide	MA	Fish Passage- Dam and Culvert Removal/Modification	6/22/2017
Lower Prairie Creek Restoration and Enhancement Project	CA	Monitoring- Implementation and Effectiveness	6/22/2017
Lawrence Creek Hydrologic Reconnection of Critical Off-Channel Salmonid Habitat	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/22/2017
Oregon Coast Coho Recovery Plan Implementation	OR	Planning, Feasibility Studies, Design Engineering, and Permitting	6/22/2017
Restoring Resiliency in Puget Sound Stillaguamish River Delta	WA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/22/2017
Ocean Ranch CA Restoration Project	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/22/2017
GulfCorps Conservation Award	AL	Environmental Education Programs, Partnerships; Training Programs	6/22/2017
Upper and Lower Sawyer Mill Dam Removals	NH	Fish Passage- Dam and Culvert Removal/Modification	6/22/2017
Accelerating Recovery Across the Puget Sound-Deming Floodplain Restoration	WA	Wetland Restoration- Levee and Culvert Removal	6/22/2017
Robinson Preserve Wetland Restoration Project (Phase 2b)	FL	Wetland Restoration- Levee and Culvert Removal	6/15/2017

Fucus (Rockweed) restoration in San Francisco Bay	CA	Subtidal Planting- Marine Algae	6/15/2017
Restoring Abundance to Hawaiian Fisheries and Coastal Communities through Restoration of Fishpond Estuaries - Phase II	HI	Invasive Species Control	6/15/2017
Building Resiliency in the Puerto Rico Northeast Reserves by Addressing Land-based Sources of Pollution (LBSPs), Restoring Coral Reef Habitat	PR	Road Upgrading/Decommissioning; Trail Restoration	5/2/2017
Buffalo River Ohio St Boat Launch Restoration Project	NY	Road Upgrading/Decommissioning; Trail Restoration	4/24/2017
Buffalo River Old Bailey Woods Shoreline Restoration	NY	Invasive Species Control	4/24/2017
PIT Antenna Monitoring in the Lower mainstem Russian River	CA	Monitoring- Fish and Wildlife	4/19/2017
Little North Fork (LNF) Big River Instream Wood	CA	Freshwater Stream Channel Restoration	4/19/2017
The socio-economic impacts of habitat restoration at the Muskegon Lake AOC	MI	Environmental Education Programs, Partnerships; Training Programs	4/19/2017
Upper Olds Creek Instream Wood	CA	Freshwater Stream Channel Restoration	4/19/2017
Upper South Fork Noyo River Instream Wood	CA	Freshwater Stream Channel Restoration	4/10/2017
White Oak River (Talton) Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/13/2017
White Oak River (Roberson) Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/13/2017
Starkeys Creek Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/13/2017
Bogue Sound (Ocean Club) Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/8/2017
Bogue Sound - Broad Creek (Blakely) Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/8/2017
Bogue Sound - Broad Creek (Wargin) Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/8/2017
Lemon Creek Wetland Restoration Project	FL	Wetland Restoration- Levee and Culvert Removal	2/28/2017
Indian River Lagoon Impoundment Subsidized Marsh Restoration	FL	Wetland Restoration- Sediment/Material Placement	2/13/2017
Toussaint Wildlife Area Coastal Wetland Restoration and Fish Passage	OH	Wetland Restoration- Levee and Culvert Removal	1/30/2017
Carver Cotton Dam Removal and Satucket River Restoration Project	MA	Fishways- Technical or Nature-like	12/12/2016
Kilisut Harbor Tidal Restoration Project	WA	Wetland Restoration- Levee and Culvert Removal	12/8/2016
Martin Slough Instream Enhancement and Flood Reduction Project	CA	Freshwater Stream Channel Restoration	12/8/2016
Hunter Pond Dam Removal and Bound Brook Restoration Project	MA	Fish Passage- Dam and Culvert Removal/Modification	12/8/2016

Parkers River Tidal Restoration Project	MA	Wetland Restoration- Levee and Culvert Removal	12/8/2016
Wetland and Stream Restoration in He'eia, O'ahu (Hawaii)	HI	Invasive Species Control	12/7/2016
Restoring Streams in Wahikuli Watershed, Hawaii	HI	Freshwater Stream Bank Restoration and Erosion Reduction	12/5/2016
Unpaved Road Stabilization - Culebra, Puerto Rico	PR	Road Upgrading/Decommissioning; Trail Restoration	11/25/2016
Buffalo River Toe of Katherine Street Peninsula Restoration Project	NY	Debris Removal	9/29/2016
Choptank River Complex Habitat Restoration- Virginia Tributary Additions	VA	Reef Restoration- Shellfish	8/30/2016
Maine Headwaters Project - East Branch Lake Fish Passage	ME	Fish Passage- Dam and Culvert Removal/Modification	8/25/2016
Maine Headwaters Project - East Machias River Fish Passage	ME	Fish Passage- Dam and Culvert Removal/Modification	8/9/2016
Lake Okonoka Habitat Restoration Final Engineering and Design	MI	Planning, Feasibility Studies, Design Engineering, and Permitting	6/24/2016
Restoring Abundance to Hawaiian Fisheries and Coastal Communities through Restoration of Fishpond Estuaries	HI	Invasive Species Control	6/24/2016
Illabot Creek Restoration	WA	Freshwater Stream Channel Restoration	6/24/2016
Mariposa Creek Fish Passage Feasibility Analysis	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/24/2016
Toussaint Wildlife Area Coastal Wetland Restoration and Fish Passage	OH	Wetland Restoration- Levee and Culvert Removal	6/20/2016
Barstow's Pond Dam Removal	MA	Fish Passage- Dam and Culvert Removal/Modification	6/20/2016
Muskegon River Restoration at Veterans Memorial Park Design Project	MI	Invasive Species Control	6/17/2016
Benbow Dam Removal	CA	Fish Passage- Dam and Culvert Removal/Modification	6/17/2016
Sheepscot River Barrier Removal	ME	Fish Passage- Dam and Culvert Removal/Modification	6/17/2016
Winter Lake Restoration Project	OR	Wetland Restoration- Levee and Culvert Removal	6/17/2016
Willamette River Floodplain Restoration - Lower Middle Fork	OR	Wetland Restoration- Levee and Culvert Removal	6/17/2016
Herring River Restoration Project	MA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/17/2016
Muskegon Lake- Lower Muskegon River	MI	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	6/17/2016
Lost Coast Diversity Strata	CA	Fish Passage- Dam and Culvert Removal/Modification	6/17/2016
The Sacramento River Willow Bend Preserve Salmonid and Floodplain Restoration Project	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/17/2016
Accelerating Recovery across Puget Sound	WA	Planning, Feasibility Studies, Design Engineering, and Permitting	6/17/2016

Tack Factory Dam Removal	MA	Fish Passage- Dam and Culvert Removal/Modification	6/17/2016
Pennington Creek Steelhead Barrier Removal Project	CA	Fish Passage- Dam and Culvert Removal/Modification	6/17/2016
Stony Island Habitat Restoration Project in Detroit Michigan	MI	Species Enhancement	6/17/2016
Hawkins Creek Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	6/17/2016
Russian River Coho Salmon Broodstock Monitoring Project – Mark West Creek PIT Tag Antenna Array	CA	Monitoring- Implementation and Effectiveness	6/17/2016
Mill Creek Water Conservation and Storage Project	CA	Water Conservation and Stream Diversion	6/17/2016
Russian River Coho Salmon Broodstock Dissolved Oxygen Monitoring Project	CA	Monitoring- Implementation and Effectiveness	6/17/2016
Dutch Bill Creek Water Storage Design Project	CA	Water Conservation and Stream Diversion	6/17/2016
Oyster Restoration Phase II - Pamlico Sound, NC	NC	Reef Restoration- Shellfish	6/15/2016
Coonamessett River Restoration	MA	Fish Passage- Dam and Culvert Removal/Modification	6/10/2016
PHASE II Maumee AOC - Howard Farms Wetland Restoration Project	OH	Wetland Restoration- Levee and Culvert Removal	6/10/2016
Buffalo River Fest Park in-water habitat Restoration	NY	Freshwater Stream Bank Restoration and Erosion Reduction	6/10/2016
Buffalo River Blue Tower Turning Basin Restoration Project	NY	Freshwater Stream Bank Restoration and Erosion Reduction	6/10/2016
Culebra Unpaved Road Stabilization - Coronel	PR	Road Upgrading/Decommissioning; Trail Restoration	6/6/2016
Coral active propagation - USVI and PR	PR	Species Enhancement	6/6/2016
Seeding reefs with Diadema antillarum - Puerto Rico	PR	Species Enhancement	6/3/2016
Building Resiliency in the PR Northeast Reserves by Addressing LBSP, Restoring Coral Reef Habitat	PR	Road Upgrading/Decommissioning; Trail Restoration	5/23/2016
Grounding Response - PR and USVI	PR	Reef Restoration- Coral	5/18/2016
A Partnership to Advance Coastal Resiliency, Climate Adaptation, and Protection and Restoration of Fish Habitat	National	Environmental Education Programs, Partnerships; Training Programs	5/12/2016
Maryland Oyster Restoration Habitat Creation FY2016-2018	MD	Reef Restoration- Shellfish	5/12/2016
Penobscot River Restoration Monitoring	ME	Monitoring- Fish and Wildlife	5/12/2016
Willamette River Floodplain Restoration - Turtle Flats and Lower Coast Fork	OR	Wetland Restoration- Levee and Culvert Removal	5/12/2016
Building Resiliency in the Puerto Rico Northeast Reserves	PR	Reef Restoration- Coral	4/27/2016
Newport River Living Shoreline	NC	Wetland Planting	4/21/2016
Benbow Dam Removal	CA	Fish Passage- Dam and Culvert Removal/Modification	3/30/2016
Lemon Creek Wetland Restoration Project	FL	Planning, Feasibility Studies, Design Engineering, and Permitting	3/30/2016

Indian River Lagoon Preserve Impoundment Restoration	FL	Wetland Restoration- Levee and Culvert Removal	3/29/2016
Trinity Center Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/16/2016
Hammocks Beach State Park Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/16/2016
New Dump Island Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/16/2016
Springer's Point Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/16/2016
Alligator River National Wildlife Refuge Living Shoreline	NC	Wetland Restoration- Fringing Marsh and Shoreline Stabilization	3/16/2016
Mill Creek Dam Fish Passage Project	CA	Fish Passage- Dam and Culvert Removal/Modification	2/24/2016
Expanding Demand for Living Shorelines in North Carolina	NC	Planning, Feasibility Studies, Design Engineering, and Permitting	11/17/2015
Muddy Creek Restoration Bridge	MA	Wetland Restoration- Levee and Culvert Removal	11/9/2015
Restoring Critical Ecosystem Function to the Eel River	CA	Wetland Restoration- Sediment Removal	11/9/2015
Mid-Spencer Island Dike Breach	WA	Wetland Restoration- Levee and Culvert Removal	11/9/2015
Exeter Great Dam Removal	NH	Fish Passage- Dam and Culvert Removal/Modification	11/6/2015
Lemon Creek Wetland Restoration Project	FL	Planning, Feasibility Studies, Design Engineering, and Permitting	11/5/2015
Patapsco River Restoration - Bloede Dam Removal	MD	Fish Passage- Dam and Culvert Removal/Modification	11/4/2015
Muskegon River Restoration at Veterans Memorial Park Design Project	MI	Wetland Restoration- Sediment Removal	10/27/2015
Clinton River Spillway Habitat Restoration	MI	Invasive Species Control	10/14/2015
Timber (Allen) Dam Removal / Amethyst Brook Restoration Project	MA	Fish Passage- Dam and Culvert Removal/Modification	9/23/2015
Mattamiscontis Loop Road Fish Passage Restoration Projects	ME	Fish Passage- Dam and Culvert Removal/Modification	9/18/2015
Blackstone Brook Culvert Replacement	ME	Fish Passage- Dam and Culvert Removal/Modification	9/18/2015
Terwer Creek Stream and Riparian Enhancement Project	CA	Freshwater Stream Channel Restoration	8/25/2015
Green Cay Gut Stabilization in Saint Croix East End Marine Park, USVI	VI	Freshwater Stream Bank Restoration and Erosion Reduction	8/19/2015
Mark West Creek Habitat Enhancement and Dam Removal Design Project	CA	Planning, Feasibility Studies, Design Engineering, and Permitting	8/14/2015
Muskegon Lake Wetland Restoration Project - Bear Creek	MI	Wetland Restoration- Sediment Removal	8/13/2015
Smith Island Estuarine Restoration	WA	Wetland Restoration- Levee and Culvert Removal	8/10/2015
Ed Bill's Pond Dam Removal	CT	Fish Passage- Dam and Culvert Removal/Modification	8/10/2015
